

Key Points

Know What:

- Today we are continuing our series on the life of Moses, a famous Israelite who led God's people to freedom. So far we have heard about Moses as a baby and how he met God in a bush that didn't burn. This week we hear about how God used him to set the Israelites free.
- Moses went to Pharaoh to tell him to set God's people free but Pharaoh said 'no'. God sent 10 plagues as a sign to Egypt but each time Pharaoh still said no.
- God kept the Israelites safe from the plagues so that only the Egyptians were affected. God protected them from the last plague by telling them to have a special meal which became known as the 'Passover' because the plague 'passed over' them.
- After the 10th plague Pharaoh agreed to set the Israelites free and they followed God and Moses into the desert to find a new home.
- Jesus celebrated the Passover just before he died and used it for the first ever 'communion'.

God loves each of us in a special way

That's you and you and you and you
And you and you and you and you
God loves you, God loves you
That's you and you and you and you
And you and you and you and you
We're part of the big family of God

Some of us have curly hair
Some of us have specs to wear
All of us have different families
Some of us are very loud
Some of us don't make a sound
That's because we're different,
you and me.....

But God loves everyone he's made
God loves each of us in a special way

That's you and you and you and you
And you and you and you and you
God loves you, God loves you
