## Know What:

- Today we are continuing our series on the life of Moses, a famous Israelite who led God's people to freedom. So far we have heard about Moses as a baby and how he met God in a bush that didn't burn. This week we hear about how God used him to set the Israelites free.
- Moses went to Pharaoh to tell him to set God's people free but Pharaoh said 'no'. God sent 10 plagues as a sign to Egypt but each time Pharaoh still said no.
- God kept the Israelites safe from the plagues so that only the Egyptians were affected. God protected them from the last plague by telling them to have a special meal which became known as the 'Passover' because the plague 'passed over' them.
- After the 10th plague Pharaoh agreed to set the Israelites free and they followed God and Moses into the desert to find a new home.
- Jesus celebrated the Passover just before he died and used it for the first ever 'communion'.

# Big Family of God

FOUNDATION CAFÉ SERVICE

Some of us are big and tall

Some of us are very small

Some of us like pink and some like blue

Some of us like reading books

Some of us like feeding ducks

That's because we're different,  
me and you....

But God loves everyone he's made  
God loves each of us in a special way

That's you and you and you and you  
And you and you and you and you  
God loves you, God loves you  
That's you and you and you and you  
And you and you and you and you  
We're part of the big family of God

Some of us have curly hair  
Some of us have specs to wear  
All of us have different families  
Some of us are very loud  
Some of us don't make a sound  
That's because we're different,  
you and me.....

But God loves everyone he's made  
God loves each of us in a special way

That's you and you and you and you  
And you and you and you and you  
God loves you, God loves you  
That's you and you and you and you  
And you and you and you and you  
We're part of the big family of God
